

# CALL FOR PAPERS

## Presidency Journal of Innovation for Development (PJID)

The Presidency Journal of Innovation for Development (PJID) is an internationally peer-reviewed journal dedicated to promoting interdisciplinary research and innovation. Published by Presidency University, PJID focuses on bridging the gap between academic theory and real-world applications. The journal covers diverse disciplines such as Civil Engineering, Computer Science, Electrical and Electronic Engineering (EEE), Business Administration, English, Law, and Economics. PJID serves as a platform for researchers, practitioners, and industry experts to share groundbreaking ideas and solutions to modern challenges. Articles submitted must comply with publication standards, exhibit originality, and align with the journal's scope.
